

Friends of Church Stretton Library

Supporting the library in the heart of the community

Friends of Church Stretton Library Privacy Statement

Friends of Church Stretton Library collect the names, addresses, emails and telephone numbers from people applying to be members, offering to volunteer or make a financial donation. We use this information solely for the purpose it was given to us, in order to allow Friends of Church Stretton Library to function.

We might share contact details of volunteers working in the library with library staff, but only with the individuals express permission. We do not share contact details information with any other Third Party. We do not undertake automated decision-making or profiling.

Friends of Church Stretton Library also collect Emails of individuals wanting to receive electronic updates about our activities. We use MailChimp to send out these emails which allows individuals to subscribe or unsubscribe.

Our data is retained for only as long as it is necessary to perform the functions for which we collect it and then we delete it. We take all reasonable steps to safeguard the data including only storing it on a password-protected computer and encrypting files if transferred.

Anyone who gives us their contact details has the following rights: to be informed; to have access to your records; to have it corrected if it is incorrect; to have your data deleted; to restrict our processing of your data; to have us transfer our records to another organisation if you ask for that to be done; to object about us holding and processing your data.

if you have any questions, comments or concerns about the way in which handle data please do contact us and let us know. You also have the right to complain to the Information Commissioner's Office.
