

Financial Control Policy

This policy has been adopted to safeguard the assets of Friends of Church Stretton Library (FOCSL) so far as possible and to provide clear procedures for controlling the finances of the organisation.

The Trustee Board are responsible for implementing this policy and the sound management of the organisation's assets as a whole. The Treasurer is delegated the task of reporting to the Trustee Board every month on income and expenditure and on the financial position of the organisation every three months and also any issues relating to this policy. All Trustees and volunteers are required to abide by these policies and procedures. Where specific responsibilities are allocated, these are stated within the policies and procedures.

These financial controls will be reviewed annually.

Bank account and processes

- A current bank account will be administered in 'Friends of Church Stretton Library' name at a bank chosen by the Trustee Board. This is currently Lloyds Bank. It cannot be changed without consent of the Trustee Board.
- All cheques will require the signature of two Trustees and blank cheques will never be signed. The Board of Trustees are responsible for authorising who can act as signatories.
- Our bank account is set up so that online payments have to be authorised online by two Trustees. The Treasurer has to be notified of any such payments.
- No payment should be authorised until the signatory is satisfied, through sight of a receipt, invoice, or similar written evidence, of the validity of the payment.
- A debit card will be held by a named Trustee, approved by the board, for the purposes of withdrawing cash.
- Authorisation for a trustee to access online banking to down-load bank statements will need to be authorised by the Board of Trustees. Online banking should only be carried out on computers with up-to-date software and anti-virus protection, using a secure WiFi connection.
- A savings account may also be administered in Friends of Church Stretton Library name for the purpose of accruing interest from reserves. All transfer of money into or out of reserves to be approved by the Board of Trustees.
- Friends of Church Stretton Library will not use any other bank, or use overdraft facilities or take out a loan without approval by the Board of Trustees.

Authorisation of expenditure

- Authorisation for any expenditure greater than £30.00 must first be approved by the Trustee Board. This can be done by email if required before the next meeting.
- Claims for payments of expenses by cheque should include receipts/invoices and signed expenses form.
- Trustees and anyone authorised by the trustees can use their own credits cards to make **authorised** online purchases in the name of FOCSL and claim this money back as expenses.

Processing of donations and Gift Aid - not including Paypal Donations

- Donations can be made by cash, online banking, regular standing orders.
- All donors will be encouraged to complete a form giving us their contact details, amount donated and to sign if they are willing for us to claim Gift Aid on the donation. This information will be added to our contact database and the forms will be filed and kept safe in a locked file.
- The Treasurer, or volunteer trained to carry out this task, will check our bank statement for donations received each month and send out acknowledgements (only the first time for donors setting up regular standing orders).

Friends of Church Stretton Library

Supporting the library in the heart of the community

- If a regular standing order ceases, we will contact the donor to check whether this was intentional. This is to check that this is not a banking error and will need to be handled sensitively.
- Details of donations will be added to our database each month, and checking will be carried out to make sure totals consolidate with Cash Book entries. A report is generated from our database to match donations received against donors signed up to Gift Aid to generate the spreadsheet entries required to claim Gift Aid from HMRC. This will be carried out at least twice each financial year, to allow us to also claim through the Gift Aid Small Donations Scheme.

Processing of donations and Gift Aid - from Paypal Donations

- Donations can be made via our website using Paypal - and Paypal gathers details of people wanting to have Gift Aid claimed on that donation. A Paypal report can be generated to enable us to claim Gift Aid for these people.
- These donor details must only be used for claiming Gift Aid and **MUST NOT be added to the database** as we have not been given permission to store their personal details.
- This Paypal account should only be used to download donations to the charity bank account. It should not be used to purchase items or download money to debit cards.
- Each month the person responsible for managing the Paypal account (this cannot be the Treasurer) will send a monthly Transaction History generated by Paypal to the Treasurer - for reconciliation checks.
- The Paypal account is set up for churchstrettonlibrary@outlook.com - and all Paypal messages are sent to this email.
- Paypal sends a security code by text to the mobile phone number of the person responsible for downloading donations into the charity's bank account and generating reports.
- People currently known to Paypal as having the authority to manage this account are the chair, treasurer and secretary.

Handling of suspect donations

The Trustees will carry out due diligence on any unusually large donation from an unknown source or any donation with conditions attached, to check they are not the proceeds of crime or money laundering. Suspect donations will be reported to the appropriate authorities as well as the Charity Commission.

Budgeting and monitoring

- Prior to the start of the financial year, or as close to the start as possible, estimates of quarterly income and expenditures will be proposed to the Trustee Board for their approval, by the Treasurer in consultation with the Chair.
- Every three months, the Treasurer will present quarterly reports to the Trustees, setting out actual income and expenditure compared to the budget.
- Accounts will be drawn up at the end of each financial year and within three months of the end of the financial year.

A total budget of expenditure for each fund-raising event will also be agreed by the Board.
